FRESH CUT LEAVES

1957

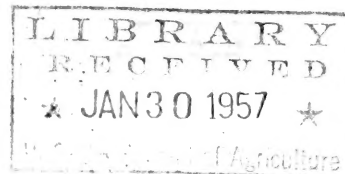

ROOTED LEAVES

This list cancels all previous lists or circulars. We are specializing in fresh cut leaves and rooted leaves of all the newest varieties from plants of the leading growers and hybridizers. ROOTED LEAVES will be shipped in pots in which they are grown. Please order in quantities of 12, 25, 50, 100 as our boxes are made to these specifications. FRESH CUT LEAVES will be damp packed and cut fresh for each order. All orders prepaid and labeled true to name to the best of our ability. Please list several alternates, otherwise we will, if necessary, substitute the nearest variety. Please request prices on plants, if you prefer plants to leaves.

PLEASE NOTE NEW ADDRESS.
